

## Facility Technical Services

### Products

- Expansion Joints
  - Metal EJ's
  - Rubber EJ's
  - Only manufacture of metal Hose and EJ's with ABS approval
  - Custom engineered drawings with every joint.
  - Fast lead times
  
- Instrumentation
  - Bimetal thermometers
  - Bourdon tube gauges
  - Diaphragm assemblies
  - Direct drive gauges
  - Thermo wells
  - Thermocouples
  
- Desiccant Breathers
  - Bulk storage
  - Compressors
  - Gearboxes
  - Pumps
  - Reservoirs
  - Transformers

- **Packing and Gaskets**
  - Fabrication
  - Flexible graphite
  - Jacketed gaskets
  - Non-asbestos
  - Spiral wound
  - Tealon gaskets
  
- **Safety & Reliability Solutions**
  - On-line Conditioning Monitoring
  - Infrared Inspection Windows
  - Ultrasound Inspection Solutions
  - Intelligent Asset Management
  - Safe-Connect Thermochromic Solutions
  
- **Industrial Noise Control and Exhaust Systems**
  - Industrial inlet and exhaust fan silencers
  - Absorptive silencers
  - Vent silencers
  - Reactive silencers
  - Acoustical panel systems
  - Acoustical lagging systems
  - Stacks and ductwork
  
- **Critical Equipment**

- Battery / Battery Systems
- UPS / UPS Systems
  
- Temporary Protection (for):
  - Floors
  - Decks
  - Roofs
  - Vertical & Horizontal Surfaces
  
- Other Products Sourced upon Request

- Fluid Storage and Handling

- Storage Handling
- Spill Containment
- Identification System
- Spill Control

- Safety Surfaces

- Stair covers
- Tread nosing's
- Ladder rung covers
- Ramps
- Walkways
